I've been thinking...

Jiminy crickets, it's hot! It certainly is colorful, though. Whether in a carefully maintained garden, or a wild, mountain meadow, the flowers and butterflies have a way of turning a dull, hot day into one of stunning beauty.

We're on the back half of summer already, but there is still plenty of time to fill it up with some adventures, either far away or close to home. There are dozens of short drives or enjoyable little walks or hikes you can take, especially in the cool mornings. I don't see too many folks out in the heat of the afternoon, but they seem to reactivate again a few hours before dark.

Talking with other people, it was generally agreed that this Fourth of July was one of the cooler and rainier ones that anyone can remember for quite some time. I've been eagerly scanning the horizon for more of that refreshing summer rain. Nothing yet.

August is shaping up to be a busy month. I'm looking forward to taking the Model A's to the fair and loafing around in the shade, socializing for a few hours, and maybe exploring the arts and crafts buildings and livestock pavilions. It's always nice to see what everyone around the county has been working on for the past year. Heck, I might even stuff my face with a drippy hamburger and chase it down with a cold Dr. Pepper.

I'll try to make it over to McCloud to look over the Motor the Mountain Car Show. That would be a nice little diversion. I hope to see some of you there. It looks like the Rollin' Weed Car Show falls on the same day as our Gymkhana. Darn. Well, maybe next year's calendar will shake out a little differently.

The plans for the Gymkhana are pretty well set, and we are excited to host the Rogue Valley A's and the Henry's Lady Chapters, from Oregon. Our August business meeting will give us all a chance to better understand the layout of the KRCE clubhouse and grounds, and visualize what goes where and how things might flow. If you can make it to the meeting, bring a picnic lunch for yourself and a list of any additional thoughts and concerns you may have, and we'll all work out the final details together. Looking forward to seeing you on August 1st.

As a reminder, the Gymkhana is set for Saturday, August 27th. If you've never been to one of these events, I encourage you to attend. We'll try to send out a club e-mail about a week before with work assignments and schedules, and any other pertinent information which surfaces between now and then. There's bound to be a few loose ends, but we'll adapt! - RG

Sis-Q A's Business Meeting, July 4, 2022

The Meeting was called to order at 11:50am, at the home of Rich and Pam Gabrielson, following a BBQ hot dog lunch, following the Hornbrook Fourth of July Parade. Members in attendance were: Bob and Ann Noel, Mike Spiess, Dale and Marie Green, Rich and Pam Gabrielson, Russell Nussbaum and his brother Samuel, and Richard and Nancy Giordanengo.

Previous Meeting Minutes: Rich Gabrielson made a motion (second by Mike) to approve the June meeting minutes, as printed in the July issue of The Hot Babbitt News. Motion carried.

Treasurer's Report: Ann gave an update of the club finances, which included a recent donation of \$100 from Linda Ellison! Pam made a motion (second by Mike) to approve the report. Motion carried.

Old Business: Pam presented ideas for two possible Gymkhana games. Game scoring and prizes were discussed. Rich Gabrielson suggested a prize for lowest score total, maybe a broken-down Hubley. Bob and Ann will shop for food. A 50/50 raffle was suggested as a way to help offset costs. Richard G. will send out an e-mail soon to the Oregon clubs with all the event information. Extra tables may be needed. Next business meeting is a picnic lunch at KRCE Clubhouse to look things over.

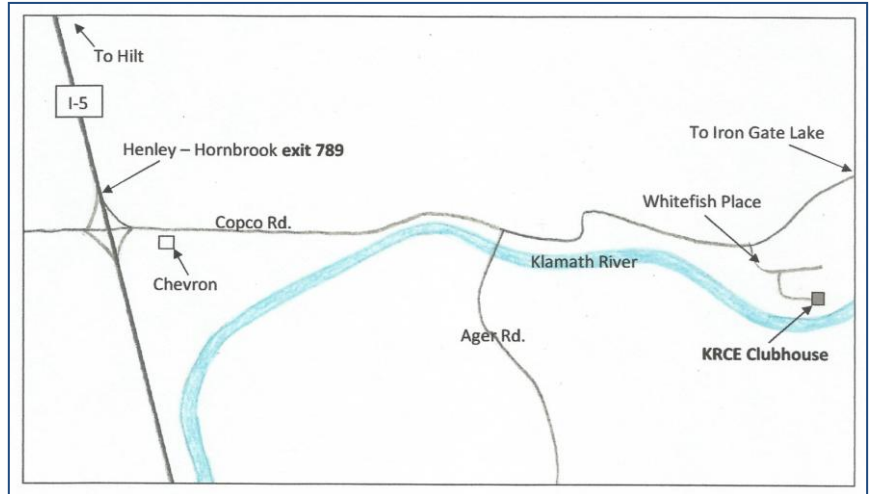

New Business: Senior Day at the Fair, August 12th, 9am-2pm. Richard G. will contact fair office to confirm. CHVA is throwing an appreciation steak BBQ for the volunteers who helped out at the Father's Day Car Show, at the Tree of Heaven Campground on September 17th. Need a headcount. Contact Bob by August 31st. Car Show and Balloon Fair, Montague, Sept 24th, 9am – 1pm. Parade at 2pm. McCloud car show, August 20th. September business meeting place to be announced.
